Hi Mandi and John,

I was notified by Dianna Lim that EPA received \$1.7 million from the ASARCO bankruptcy matter on January 2010. Out of the \$1.7 million, the Administrative Order of Consent (see attachment below) requires EPA to establish a Disbursement Special Account, for the City & County of Denver, and deposit \$330,000 within 30 days of receipt of funds. I had asked Lourdes to look into this but she went on leave for two months. I'm not sure if she informed Mandi on this matter. Please inform me on what needs to be done so that we can get the City the funds.

Thanks,

Sam
